Dear NMPEA Members, Friends, Supporters, and Fellow Exhibitors:

2021 Show season is underway!

While much of our year end awards programs have remained the same for 2021, there are some exciting new changes:

- NMPEA now offers an ALL BREED year end awards program in addition to expanded award divisions for PALOMINO and PALOMINO BRED. As in the past, you can show at NMPEA shows in NM (for double points) AND results can be submitted for up to six non NMPEA approved shows in NM to also count towards your end awards.
- A NEW Annual Nancy Grice Memorial Buckle will be awarded in beginning in 2021 to a High Point Halter and Color Horse. This award will be given in the Youth division in 2021, Amateur division in 2022 and Open division in 2023.
- The participation awards have been modified to include more ways to earn tickets in the annual drawing. In addition to earning a ticket by competing at shows, you can earn chances to win by volunteering, sponsoring, and participating in youth judging practices and events and more.

Of course, you must be a member to be eligible for any awards and your horse must be enrolled in the year end awards program if showing and competing for year end high point awards.

With these new changes, we felt it important to share with you in print instead of sending you in search of the information. Rules and forms are also posted on our website, [www.nmpea.com](http://www.nmpea.com), and on our facebook page, [www.facebook.com/nmpalomino](http://www.facebook.com/nmpalomino).
